3P200 Petrol

CROMMELINS Welder Generators are available in petrol and diesel powered models. They can be used in a workshop or as mobile units on utilities and traybacks to be taken to the job and will handle most requirements. Each model is available in electric or recoil start and comes complete with battery charger.

Both petrol and diesel models can be built with an optional Hire Pack which consists of:

- Wheel Kit and Handles
- Central Lifting Bar
- Weatherproof Outlets
- Earth Leakage Switch
- Circuit Breakers
- Earth Spike and Lead
