Crommelins

Crommelins has been building generators for more than 40 years. The Crommelins range of petrol generators range from 2000 to 6400 watts and will power most equipment for the general agricultural, mining, construction and hire industries, plus recreational markets.

Many of Crommelins generators are used in hire fleets because of their proven reliability and high performance. To assist the Hire Industry, most of our petrol generators can be built with an optional Hire Pack which consists of:

- Wheel Kit and Handles
- Central Lifting Bar
- Weatherproof Outlets
- Earth Leakage Switch
- Circuit Breakers
- Earth Spike and Lead

2 Years manufacturer's warranty on generator, 3 years subaru engine

P53

KVA	5.3
Output Watts	4240W
Rated Power Factor	.8
Engine Model	EX27
Max Rated HP	9 Hp
Fuel Tank Capacity	6 Litres
Dimensions (LxWxH)	740x460x500
Alternator Type	Brushless
Noise Level (dB-7m)	72
Weight	58 Kg
Running Time	2.8 Hrs
